

## Local Wealth Management Firm Relocates Headquarters to Route 12

**Flemington, NJ** – Renovations have concluded on the interior of 31 State Route 12 in preparation to welcome the clients and staffs of Prestige Wealth Management Group and Prestige Wealth Accounting Group. The groups relocated from Pennington earlier this year to temporary office space in Flemington and represent a combined practice that offers financial planning, investment management and tax accounting services for individuals and businesses.

Company executives Roy Williams, Steve Linden and Tom McCabe highlight Flemington’s proximity to their client base as the primary reason for the move. Their new headquarters on Route 12 represent an accessible centralized base of operations for the growing firm.

Prestige purchased the once vacant commercial property in February of this year. Since then, design plans and renovations have transformed the space into a functional and comfortable office environment for both clients and employees. 31 State Route 12 will now serve as the official permanent home for the award winning integrated wealth management and accounting firms.

“This has been a busy year. We left Pennington five months ago and have been operating from a temporary office space in Flemington while these renovations were completed,” says Roy Williams, CEO of Prestige Wealth Management Group. “We are excited to get settled and welcome clients into our new headquarters.”

“The new space allows for both of our practices to operate effectively under one roof and will provide the majority of our clients with a centralized location,” says Tom McCabe, CPA, and Director of Accounting at Prestige Wealth Accounting Group.

They celebrated their grand opening on Saturday, June 5<sup>th</sup> with a ribbon cutting ceremony. The event was attended by Congressman Leonard Lance, Mayor of Flemington Robert Hauck, and representatives from the Hunterdon Chamber of Commerce Mary Melfi and Georgann Occhipinti. At the event, clients and friends generously donated non-perishable food items for the Flemington Area Food Pantry.
